The company: Schjolberg Conseil - Luxurious Mexico

Thank you for the WONDERFUL location of Mexico's stand, and the tasteful decoration of the common areas I realize Schjolberg Conseil is a very small actor at this event, but we have our opinions and ambitions. Let me say the following:

- the MCTM is unique in providing transportation, refreshments, cordial solutions
- the staff is simply unique, young and old
- the show organizer is "giving" all the time, as opposed to the ILTM
- the Gala was a winner, the most delicious food, the most fantastic entertainment, and so understated, before it exploded into splendor

We also found the appointments to be of high interest. Very well screened, totally into the luxury market that we represent. The PR you have done in PACA is simply outstanding.

Bard Andreas Schjolberg

The company: Castello di Casole

Company : Elounda SA It is me, who has to say - THANK YOU!!! - so so so much!  
 It was such a pleasure meeting you and your colleagues. I never was treated so well, never taken care by such a professional staff- and I never met so many valuable customers and hopefully future clients or collaborators.  
 Thanks to all of your investments:  
 - Never exhibitors had been treated so well,  
 - Never an organization was so extraordinaire,  
 - Never a team was so helpful,  
 - Never the care so personal,  
 - Never the venue setting was so different,  
 - Never the guests/visitors so well chosen,  
 - Never the results so satisfy All this is: MCTM - where our hard work became pleasure and everybody was proud to be one of the well-chosen partners. There are no comments- unfortunately- because it was perfect.  
 Just one: Try to keep everything so personal and don't make it too big. We all were happy and we would be glad to be your partner next year again.  
 Thank you also so much for the gift: The painting of Mr. Folon will always remember me personally on the best exhibition experience I ever had - warmth in cold business world around us. Thank you!! Honestly: it was a fantastic experience and we will for sure be back next year.

Thank you and everybody again. Warm regards, Susanne

Since we were very satisfied with the arrangements and the meetings held, we are looking forward to participating in the next show as well. I am sure MCTM will get better and better over the years. You have really carved out a niche&hellip;with you at the helm, I guess that is expected !! Indira Banerjee

 The Imperial  
 Janpath, New Delhi Company : Raffles Resort I was pleased with the event last year. I was very impressed with how high end the end consumers were at the show. When asking most of the clients where they usually stay on vacation, One and Only, Oberoi, Aman were coming up constantly. Looking at production this year, we had about 8 stays from residents of Monaco in February and March, which are resulting from this show. The best opportunity coming out of this show was that I met with the organizer of Sagas (TV show on TF1 - talking about celebrities on vacation) This upcoming September show was entirely filmed at Raffles Canouan just two weeks ago, will be reaching 11 Million Viewers in France. It will put Canouan on the map! I signed up for 2007 for the second time. Patrice Van Isacker

Company : South African Travel Centre I am back in Cape Town after the visit to Monte Carlo. Many thanks for the invitation. I found the Travel Market very productive and informative. In fact I found the Monte Carlo Travel Market more productive than the ILTM in Cannes, the atmosphere was much more relaxed and conducive to meeting suppliers in an informal environment. My only regret was not spending an extra day in Monte Carlo to familiarise myself with your wonderful country. Many thanks again.

Best regards

En mon nom et celui du groupe

Worldtravel France, je souhaitais vous remercier pour la qualité de votre prestation.

C'était la première fois que nous venions à votre exhibition, et elle fut parfaite.

Que ce soit l'hôtel, les transferts, et l'accueil réservé, rien était laissé au hasard.

La qualité des exposants était elle aussi au rendez-vous et cela a été l'occasion de nombreux contacts fort intéressants.

A très bientôt j'espère.
