

Hosted Buyers Profile

MCTM is continuously expanding its network of professional buyers, all of which are major actors in the world of luxury travel. Accordingly, MCTM carefully chooses its selected buyers to ensure that they meet strict criterias and therefore fit perfectly with the event's exclusive exhibitors.

Selected hosted buyers are invited by MCTM organizers and provided with a VIP hospitality package in the Principality of Monaco. Prospective professional buyers interested in participating to the 7th edition of the MCTM are requested to fill in the application form and return by fax or email.
